PROFESSIONAL SUMMARY

Performance marketer with 6 months of hands-on experience running paid campaigns on Meta, Google and LinkedIn, contributing to a cumulative monthly ad budget of ₹25 Lakh across 8 industries. Strong in campaign setup, audience and creative testing, conversion tracking and clear weekly reporting. Seeking a Junior or Executive Paid Media role where I can grow into owning budgets and delivering measurable CPL, CPA and ROAS improvements.

EXPERIENCE

Performance Marketing Intern — Subix (SUBIX°PMaaS), Bengaluru *May 2026 – Oct 2026*

Subix is India's first Performance Marketing as a Service company, running white-label Meta and Google Ads for digital marketing agencies.

- Planned, launched and optimised paid campaigns on Meta, Google and LinkedIn for agency clients, contributing to a cumulative monthly spend of about ₹25 Lakh.
- Worked across 8 industries: eCommerce, Real Estate, Education, Healthcare, Fashion, B2B SaaS, BFSI and Events.
- Ran A/B tests on creatives, audiences, ad copy and landing pages to improve lead cost and return on ad spend.
- Built campaign structures for lead generation and sales objectives, including prospecting, retargeting and Search intent campaigns.
- Set up and checked conversion tracking using GA4 and Google Tag Manager.
- Prepared weekly performance reports covering CPL, CPA, CTR and ROAS for agency partners.
- Reduced cost per lead by around 35% for Real Estate and Education campaigns through form, audience and keyword optimisation.

SELECTED CAMPAIGN HIGHLIGHTS

- **eCommerce (Meta + Google):** Split campaigns into prospecting, retargeting and catalogue; tested creative angles (offer, UGC, product demo) and shifted budget to winning ad sets weekly to improve ROAS and cost per purchase. **Result: ROAS 2.1 → 3.4, CPA ↓ 27%.**
- **Real Estate (Meta + Google):** Replaced instant forms with higher-intent forms (budget, BHK), added location-based Search with negative keywords, and retargeted video viewers to raise lead quality for site visits. **Result: CPL ↓ 36%, qualified leads 18% → 27%.**
- **Education / Admissions (Meta + Google):** Built separate parent and student audiences, ran course-wise ad copy and set up a WhatsApp click-to-chat flow for faster follow-up on enquiries. **Result: CPL ↓ 35%, enquiries +44%.**
- **B2B SaaS (LinkedIn + Google):** Targeted by job title, seniority and company size; tested document ads against single-image ads and added Google Search on high-intent terms for demo requests. **Result: CPL ↓ 31%, demo requests +40%.**
